Manager Expenses

Kettering Town FC Academy Team Managers will be offered the to claim expenses in return for their dedication to coaching our Academy sides.

Managers will be able to claim a set amount for each training session, a home match and away matches. Fee's for the season will be set by the management team. Further to this, the Academy management team reserve the right to change these set fees throughout the duration of season should they need too.

In addition to expenses, a Kettering Town FC Academy coach will not have to pay monthly fee's should they have a child selected in their respective team, however these fees will be deducted from their monthly expense total.

Assistant Coach Expenses

Assistant coaches whilst not able to claim expenses, are offered a free child place should they have a child selected in their respective team.

Claiming Expenses

All expenses, including but not limited to; as above and/or remuneration for FA required coaching, safeguarding and first aid courses will be required to be added to the most recent expense form and emailed to the appropriate email address by the end of the next month for the previous month. Payments are not to be back dated and all managers are advised to keep on top of their expense forms. Management reserves the right to use discretion on a case by case basis.
